Getting to the AXA office

By train

The office is a 5-7 minute walk from the station. Upon leaving the platform turn left and go down the escalator. You will exit the station by the rear entrance, which is Oswald Street. On your left you will see the Radisson Hotel, cross over the road towards the hotel. Proceed straight into Robertson Street and continue walking until you see a cut through on the right (this is a paved area with seating). Walk through this area into York Street and the AXA building will be visible.
